Step 5

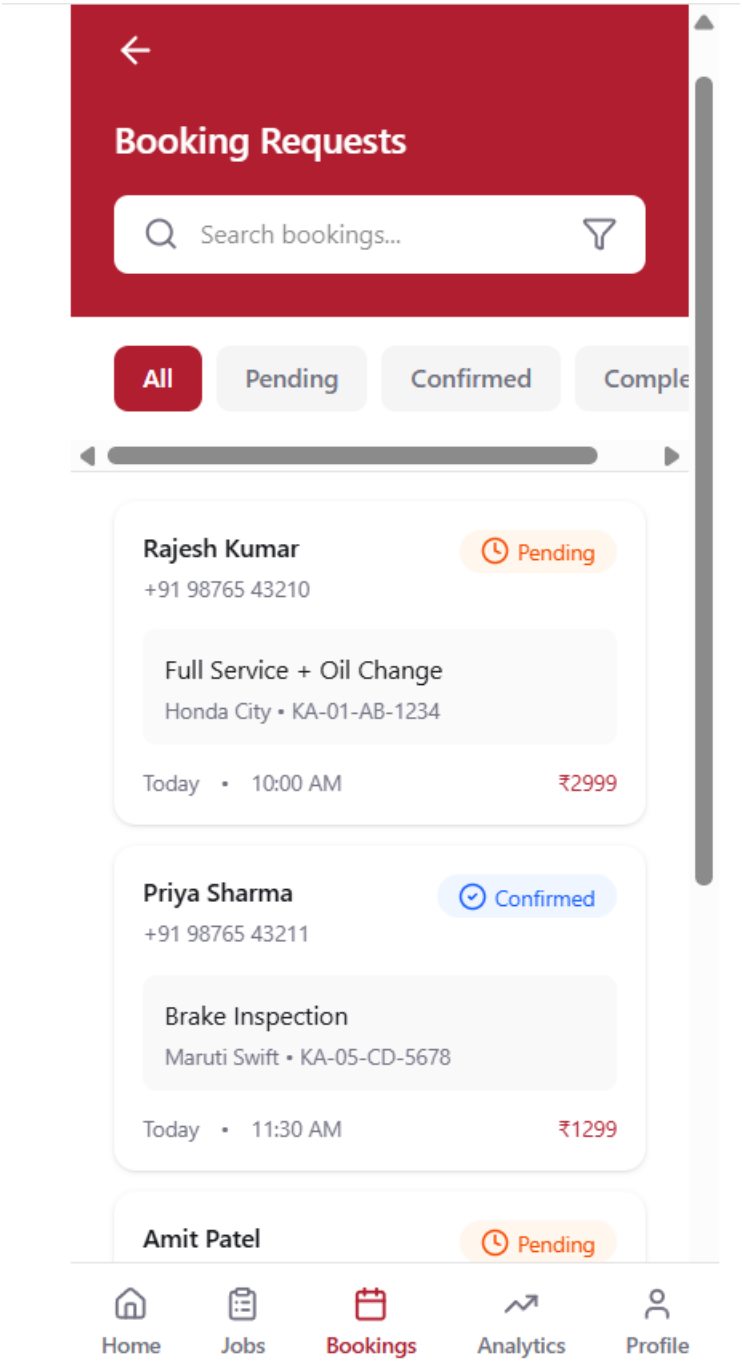

On clicking on waiting for parts the progress should move to waiting for parts similarly on clicking on quality check progress bar should be moved to quality check etc…

Step 6

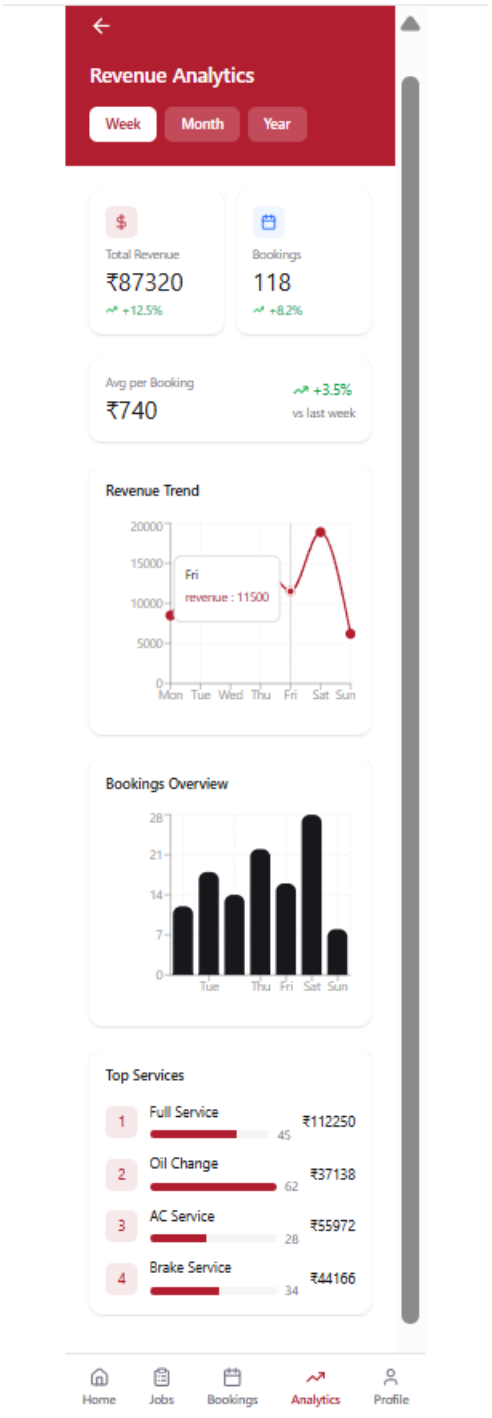

On clicking on complete job, it should be reflected in jobs section. It should be filtered as well. So If I click on open then it should display only opened jobs similarly in progress, QC, etc.

Bookings Screen

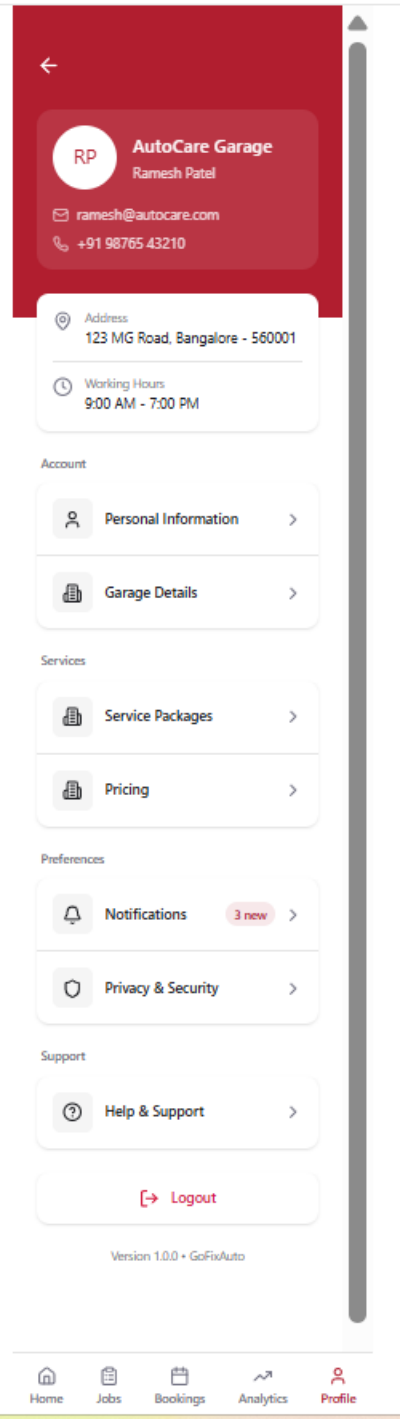

Bookings will be done by user end. If they book to any service it should be displayed in that screen.
